

PARENTS –TEACHERS MEET-2023

On 25th March 2023, at 11am a parents' teachers meet was organized by the Department of Botany., D.K College, Mirza. The parents of all the students pursuing B.SC Botany as an Honors subject were invited in the meeting . The objective of the was to have an open interaction with the parents regarding the students progression in their academics, health issues etc. and feedback from the parents for improvement in the administration. All the faculty members were present in the meeting. A total of 11 parents/guardian turned up for the meeting. The session was very interactive as parents gave their views on various important matters regarding the proper management of the department along with the institution.

The parents raised a concern about the lack of time given to a student for completion of a semester along with the delay to receive their scholarship money. They also urged the department to introduce M.SC in Botany as a course in the department. They also showed concern about the involvement of teachers in other government duties which actually hampers the studies of their wards.

The teachers explained the parents about the present CBCS system of education & the exam pattern of the semester system.

Lastly, the meeting ended on a positive note. The parents were quite satisfied with the efforts of the department and hoping such fruitful meeting shall be organized by the department in future too.
