

## **Lecture program on “Awareness on Women's Health” on 17th December 2009**

**Report:** A lecture program was organised by D.K. College Women's Forum on the topic “Awareness on Women Health” on 17th December 2009. The resource person for the program was Dr Jayanti Mala Chakraborty. She herself being a patient of breast cancer shared her entire journey of surviving such a disease. She also presented slides regarding breast cancer. She helped in creating mass awareness about a deadly disease in our society. A total of 160 participants including teachers and students attended the lecture .Thus, making the program a successful one.
